Specific conditions for PhD Fellowships (New applications)

- PhD students must be registered in a French University;
- The PhD application must be linked to a research project for which the Principal Investigator (Project collaborators are excluded) is located in a French laboratory;
- **The PhD application can be either linked:**
 - To a research project funded in the 2022 or 2023 AFM-Telethon Scientific Calls for Proposals (corresponding to the Call for Proposals of the initial application submission),
OR to a research project submitted in the 2024 AFM-Telethon Scientific Call for Proposals;
 - To a research project financed by a funding agency other than the AFM-Telethon.
The PhD Supervisor must justify the funding of the project for the PhD support period requested to the AFM-Telethon;
- The PhD starting date must be between October 1st, 2024 and December 31st, 2024.

Renewals (Research Grants, Postdoctoral & PhD Fellowships)

- There are 2 renewal sessions per year, except for PhDs. According to the specific situation of his/her project, the Principal Investigator will choose the appropriate session to submit the renewal request;
- An Intermediate Progress Report must be submitted online before the renewal deadline.
